

## GWare Advanced Scale Communication

www.genesis-pos.com

### Advanced Scale Communication and Labeling

The GWare Advanced System will enhance and give you more control of the 3 R's in your business. **Right Product, Right Price** at the **Right Time**. We make it easy for you to create, modify and price all items in your fresh food departments. Never before has there been an easier software program to set up, run and maintain. You do not need to be a computer expert to operate our software and communicate to your store scales.

Let us show you how GWare Advanced can lead you to more profitability!!

### Just a few GWare Advanced features & benefits:

- Synchronizes your scale system with your Point of Sale system
- Upload Scheduling for just in time file maintenance
- Complete Reporting
- Complete knowledge and control of all scale PLU Data Management
- Custom label printing with GWare Star printer
- Web based help (on & offline)
- Optional Warehouse Interface support

Contact your local GWARE Dealer
